

## Convenient Black Friday & Cyber Monday Deals That Are Long-Lasting Gifts

Anyone who emails me, books and pays the invoice I'll send to you for a 1:1 interview service with me before the end of Monday, November 28th, will get 50% off the regular price of \$950.00. You can use it all the way until March 30th, 2018

### What does that mean?

It means I'll listen to you, your children, one of your family members or many family members for 90 minutes and record your stories, transcribe your stories and put them into a beautiful 6"x9" softbound book.

You can come to my Yurt in Seattle, or we can talk on the phone, Skype, FaceTime or chat back and forth for 90-minutes. If you'd like the books for The Holidays, then everything must be complete by December 10, 2017. Otherwise, it's a two-week turn-around for the proof and then two weeks to receive the printed book.

Please pass this along to people you know would love this as a gift idea or grandparents wanting to share their stories with their grandchildren. It's such a personal touch and I love doing this.
